

Have AirID devices been certified?

Question

Have AirID devices been certified?

Answer

Yes, all AirID devices have been certified following the CE and FCC certification and RoHS environmental mark (for AirID version 1 only CE and RoHS).

The AirID Version 1 Government Edition has been checked and approved by the [German Federal Office for Information Security](#) (Bundesamt für Sicherheit in der Informationstechnologie) to be used for classified ([VS-NfD - Vertraulich - nur für den Dienstgebrauch](#)) environments if used with mobile app SecurePIM by Virtual Solution.
